# Rak

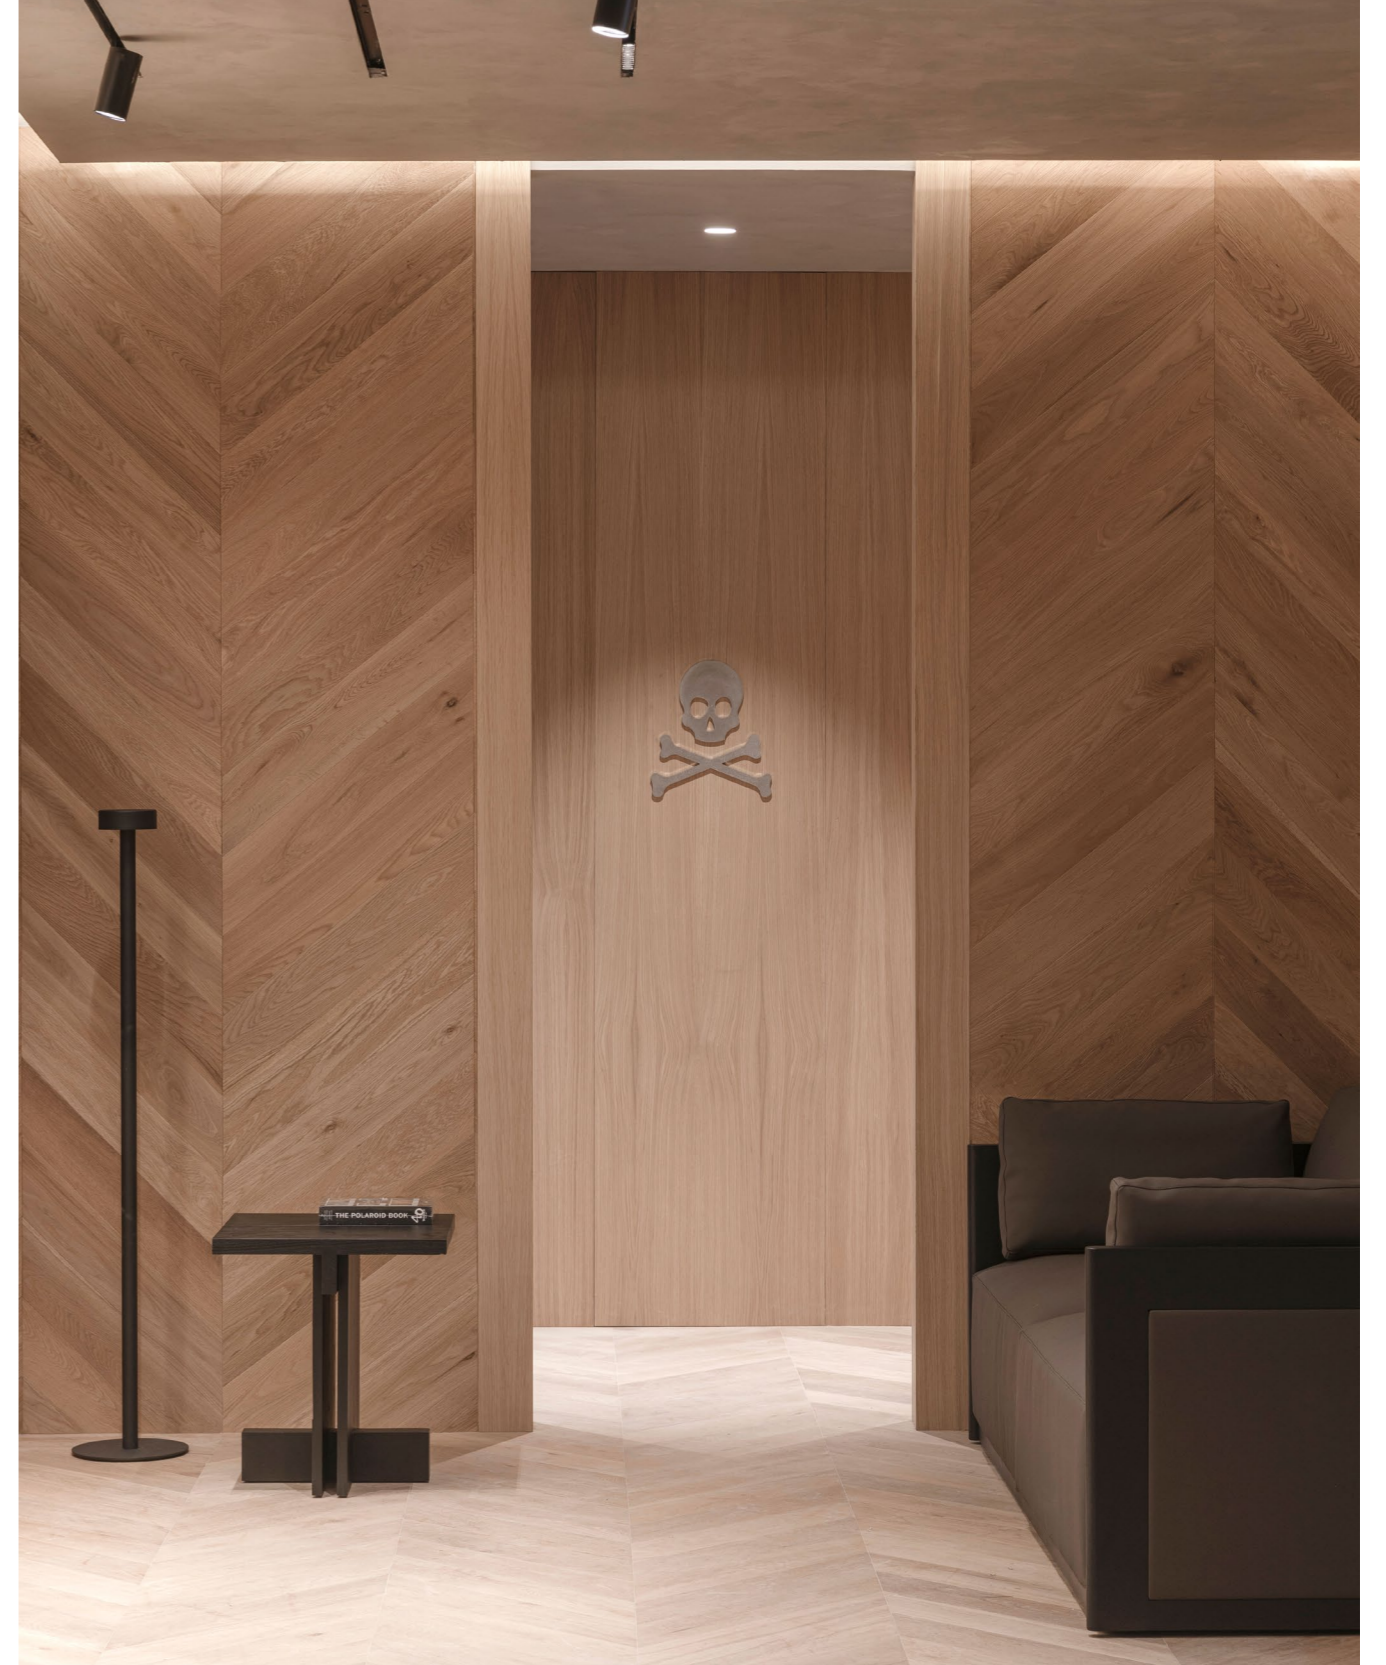

**Rak collection**  
designed by **Francesc Rifé Studio**

Contract cases. Rak

Rak collection explores the warmth and material honesty of ash wood through a versatile range of tables, benches, and stools conceived for contract environments. Its balanced proportions and architectural language encourage natural integration into restaurants, workspaces, and contemporary retail projects.

RAK STOOL 38x38 ASH ASH | RAK DESK 120x55 ASH ASH

*Rak stool 38x38 cm*

*Rak Bistro high table 180x90 cm*

The combination of Rak Bistro high tables and the Rak stool creates hospitality spaces with a sober and contemporary identity. Their balanced proportions and the warmth of the wood provide visual comfort and functionality, encouraging dynamic environments in bars and restaurants with a contemporary architectural language.

RAK BISTRO HIGH TABLE Ø80 BURGUNDY ASH

RAK BISTRO HIGH TABLE Ø80 NATURAL ASH  
RAK STOOL Ø38 NATURAL ASH

*Rak bench 180x38 cm*

*Rak Bistro high table 180x90 cm*

Linear compositions of Rak high tables make it possible to organize dynamic and fluid workspaces within the contemporary office. Their modular design encourages continuous configurations for meetings, collaboration, or breaks, maintaining a clean and coherent aesthetic where functionality and architecture interact naturally.

***Rak Bistro*** high table 180x90 cm

Rak high tables bring the natural expressiveness of ash wood into contemporary work environments. Their design creates versatile meeting points within the office, encouraging collaborative dynamics, informal gatherings, and transitional spaces with a serene and functional presence.

**Rak high table 280x100 cm**

Rak high tables are available in different sizes to adapt flexibly to offices and collaborative spaces. Their balanced structure and essential design language allow for the creation of meeting areas, informal workspaces, or social interaction zones, bringing visual continuity and a sober architectural aesthetic.

**Rak high table 220x100 cm**

Rak collection makes it possible to create versatile configurations through the combination of high tables, stools, and benches. Its unified formal language encourages dynamic and coherent compositions for contract spaces, bringing aesthetic continuity, functionality, and a contemporary atmosphere adapted to different uses and architectural scales.
